Scott:

Please follow-up with me after you get this information from both Miller and U.S. Ecology. We need this taken care of as quickly as feasibly possible. I would like a new schedule set by no later than Friday (9/21/18). It is a shame that the scheduled dates were missed.

Thanks
Gary Moore

I have received an updated quote from ME and asked USE to reschedule the dates for disposal.

I can follow up with dates and our plans.

Thanks,
Scott

Scott:

What is the status of disposing of the waste in the boxes at the Falcon/Ingleside Refinery? Miller Environmental? US Ecology reschedule dates?

thanks
